## The Committee

The HonorHealth Pro-Am is one of the valley's most anticipated days on the green. Thank you to the following individuals who give their time, talent and resources. Thank you all for your support and leadership.

### CO-CHAIRS:

**Patrick Fate**, Devenney Group

**Brett Gaboury**, State Farm

### PRO-AM COMMITTEE:

**Carrie Bailes**, Pangolin Structural

**Brock Barnhart**, GCI

**Kim Brazsky**, Hobbs + Black Architects

**Bryan Choate**, Founder Real Estate

**Christian Green**, Sonoran Crest

**Lisa Josephs**, Northern Trust

**Elissa Kelly**, Archsol

**Jay Layton**, TD Industries

**Jason Light**, Okland Construction Co.

**Kirk McClure**, JE Dunn

**Cheryl Melocik**, Community Volunteer

**Ross Miljenovich**, J2 Medical Supply

**Rick Murdock**, HonorHealth

**Erich Rectenwald**, Mortenson

**Stacie Sholer**, Sharecare

Thank you for your participation in one of the Valley's leading charity golf tournaments. Your gifts of time and treasure help support the healthcare and social needs of our community's most vulnerable. Together we're finding cures, saving lives and transforming healthcare.

## Tournament Play Format

Tournament play will be morning or afternoon shotgun start in a Shamble format - the team will scramble to the best drive, then each player will play out his/her own ball through the hole. Each team is composed of an amateur foursome and a professional.

The field will be flighted by team handicap. All teams will be handicapped at 10% of the total handicap of the four amateur participants. All handicaps must be verified before the first ball is struck in the round. Southwest Section PGA staff will serve as rules officials and scorers for the event. SWSPGA also will monitor pace of play to ensure an enjoyable time by all.

## HonorHealth Greatest Needs Fund

Direct your gift where it makes the most difference

With a gift to the Greatest Needs Fund, you're making great care possible for patients and families in our community. Perhaps even for yourself or your loved ones.

Your gift to the Greatest Needs Fund is unrestricted, so it provides invaluable flexibility, enabling HonorHealth to respond quickly to unanticipated situations.

When making a gift to the HonorHealth Greatest Need Funds, every dollar goes directly to benefit HonorHealth patients and families—not toward administrative fees. Most importantly, every dollar helps ensure that vital medical care is available—always—for those who need it.

Here are a just a few of the ways these gifts made a difference last year:

- Provided personal protective equipment, fever scanners and germ-zapping robots to safeguard our patients, staff and community during the COVID-19 pandemic
- Addressed unmet community needs, such as medical and dental care for underserved neighbors and surrounding patients with support beyond their hospital stay
- Advanced exceptional care for patients through HonorHealth's heart and vascular, cancer, neuroscience and palliative care programs
- Maintained equipment, technology and facilities vital to providing excellent care and services
- Expanded and improved procedural rooms such as heart catheterization labs and operating rooms
- Invested in innovative technology such as telemedicine home monitoring equipment and telehealth robots for quickly caring for and saving stroke patients
- Conducted leading-edge research to develop innovative treatments and discover cures

## HonorHealth Desert Mission Endowment

HonorHealth Desert Mission traces its roots to 1927, a time when it brought food and medical supplies to people who camped north of Phoenix city limits, hoping the dry desert air would cure their respiratory ailments.

Powered by your generosity, HonorHealth Desert Mission is still making a difference today for the most vulnerable in our community. Three key programs support vital needs:

### Desert Mission Food Bank

Over the past two years, we've had to find new ways to assist the hungry. With the 4th Street Market closed for in-store shopping, we created a touchless drive-through grocery, loading bags of fresh, nutritious food into car trunks. A mobile market delivered food to seniors, low-income area schools and frontline healthcare workers in need.

### Lincoln Learning Center

One of the few Arizona schools to meet the nation's highest standards for child development and school readiness, this licensed, accredited childcare and early education program gives young kids the educational environment they need to be fully prepared for kindergarten and beyond.

### Adult Day Healthcare

This center offers a safe environment and enriching activities for older adults, as well as a respite for their caregivers. Participants range in age from 56 to 100, most of whom have dementia, Alzheimer's or other cognitive disorders.

Your support of Desert Mission Endowment provides a reliable and predictable source of revenue in perpetuity, thereby securing the future of Desert Mission and its ability to serve our community.

Philanthropic support made these and other efforts possible in 2020. Thanks to generous support, Desert Mission provided:

**20,964**

emergency food boxes supplemented by items from the food bank

**20,316**

bags of food to 10,158 HonorHealth frontline staff members

**13,948**

individuals and 8,717 households with food. Individuals and households were counted only once but may have been served multiple times.

**10,674**

snack Packs to school districts, with many delivered by school social workers to children's doorsteps

**3,897**

federally funded emergency food boxes, supplemented by items from the food bank, for 592 low-income seniors

**1,880**

individuals with full turkey dinners during a drive-up event

**1,630**

back-to-school backpacks for students in need

**1,369**

food bags to patients facing food insecurity at NOAH clinics and HonorHealth Medical Group practices

**342**

baby bags to food bank clients
