## *Your Generosity Meets Healthcare Needs in Real Time*

Through your generosity to the Greatest Needs Fund, HonorHealth is able to quickly direct funds where they can do the most good: to meet the most important needs of patients and staff that otherwise may go unfulfilled.

It’s because of the kindness and compassion of donors like you that we support both our healthcare heroes and their patients in the most meaningful ways.

These gifts benefit lifesaving programs and research as well as workforce development and innovation that may not be funded without your generosity.

Philanthropy makes this and so much more possible. YOU make a difference when and where it’s needed most.

*And for that, we thank you!*

## **MAKING GREAT CARE POSSIBLE IS JUST THE START!**

Your support through the Greatest Needs Fund inspires us all – especially considering that 100 percent of every gift directly benefits patients, families and staff. It provides hope, healing and the highest-quality care possible!

You have helped us accelerate impact in the development of bone marrow transplant and bariatric programs throughout our system.

Because of you, we were able to adopt Transcatheter Aortic Valve Replacement (TAVR) procedures for heart care sooner than expected, which helped thousands of heart patients.

Your generosity made HonorHealth the first hospital in Arizona to perform revolutionary, minimally invasive heart and lung surgery with DaVinci robots.

And made possible entirely through the support of donors, we have a fleet of more than 30 germ-zapping robots that use high-intensity ultraviolet light to disinfect a patient room in just minutes. As a result, we have maintained our very low incidence of hospital acquired infections.

Simply put, your generosity helps ensure that programs and services across HonorHealth deliver the excellent care that our patients expect and deserve. We can think of no greater gift!

### **THE NEED IS ALL AROUND US**

Your gift to the Greatest Needs Fund helped us respond quickly to unanticipated situations and urgent needs. Your generosity impacts our community in the most meaningful ways, including:

- Supporting our programs that rely on philanthropy to serve community safety, well-being and military preparedness.
- Enhancing workforce development so we can attract, retain and continue to meet the needs of the growing demand for service.
- Improving our digital capabilities, to make the patient experience more informed, empowered and comforted - including protection from the risk of cyber security breaches.
- Supporting tools and processes to understand the social influences that determine the well-being of our patients and community.

## Because of You

As a nonprofit, community-based hospital system, HonorHealth relies on your kindness and generosity to help provide the exceptional care you and your family expect and deserve.

Every patient's experience with HonorHealth is enhanced through philanthropy. Because of you, we can dramatically improve the patient experience at one of the most stressful and frightening times of their lives.

Giving through HonorHealth Foundation means you're supporting more than great care – your contributions improve health and well-being, fuel medical breakthroughs, drive innovative research and so much more.

**HonorHealth Foundation is grateful for your transformational investment in our community!**
